## GROUP OF INSTITUTIONS

(A GROUP OF ENGINEERING, POLYTECHNIC, ITI, TEACHER TRAINING COLLEGES & SCHOOL)

Approved by AICTE, Govt. of India and Dept. of Sc. & Tech., Govt. of Bihar & Affiliated to Aryabhata Knowledge Univ. Patna (For B.Tech.) and SBTE, Govt. of Bihar (for Polytechnic) Approved by NCTE, Govt. of Bihar & Affiliated to M.U., Bodhgaya for M.Ed. & B.Ed. and BSEB, Patna for D.El.Ed., Under Scheme of NCVT, Govt. of India (ITI) & Play School (CBSE Based)

Buddha Institute of Technology (B.Tech. College)

Buddha Institute of Technology (Polytechnic College)

Buddha Polytechnic Institute (Polytechnic College)

Teacher Training College (M.Ed., B.Ed. & D.El.Ed.)

Buddha Multiplex Hotel & Management (B.Ed., D.El. Ed. College)

Bhabha Institute of Education (B.Ed. & D.El.Ed.)

Gaya Private ITI (Electrician & Fitter Trade)

Bhabha Private ITI (Electrician & Fitter Trade)

Hamara Apna School (Play Group to Std. Vth)

## ABOUT US

"Buddha Institute of Technology" is an engineering institute which has been established in the year 2008 at Industrial Area, Gaya on Bodhgaya Road, falls under the umbrella of group "BIT Group of Institutions", founded by Er. Awadhesh Kumar, the Founder & Chairman as well as a down-to-earth Social Worker. It is a nascent institute which is providing technical education of Degree standard and aspires to develop a model institute of repute under the guidance of experienced academicians & highly skilled professionals. This institute is affiliated by Aryabhatta Knowledge University, Patna, Bihar and subsequently approved by all India Council of Technical Education (AICTE).

Buddha Institute of Technology, Gaya is promoted by a group of professionals & prominent social workers under auspices of "OM SAMAJ VIKASH PARISHAD" with the objective to produce an excellent level of technocrats through technical education. Our aim to provide amalgamated and eminence education to young minds in Engineering & Management Education to convert them into effectual technocrats and wants them to be ready to combat tough challenges in the competitive world and also substantiate to be a respectable human being.

Er. Awadhesh Kumar  
Founder & Chairman, BIT Gaya

## The Brain Behind Excellence

Education is very necessary for the betterment of everyone's life and thus we all should know the importance of education in our life. It aspires everyone to go ahead and succeed in life as well as provides ability to overcome challenges in life. In our everyday life the influence of science and technology is becoming so pervasive that man's existence in this world is simply inconceivable in their absence. This is why, to train our people, our education must be reorganized to give it the necessary practical and technical basis.

Buddha Institute of Technology want to build new generation skilled technocrats for the betterment of the future of the nation.

## Our Mission

To develop and promote a scientific temper and to train each person in practical science & technology to make him/her better suited to oriented environment to create willingness & capacity to work with one's hand which would promote the dignity of labour and a spirit of self-confidence.

## Our Vision

To provide the nation & state of Bihar with a new generation of skilled technocrats to meet the challenges of 21st century who can serve the nation & state advance knowledge.

## Our Special Chief Guest

Our Chairman with Hon'ble Ex Chief Minister  
and Chairman of the Assembly of Bihar

Our Chairman with Hon'ble Ex Minister  
Vinod Yadav

Our Chairman with Hon'ble Minister  
Dr. Prem Kumar Ji

# BUDDHA INSTITUTE OF TECHNOLOGY

## Engineering College

*Buddha Institute of Technology is one of the premier institute in the field of Technical Education and provide quality standard engineering education to the aspiring students. We have a team of highly educated and experienced teachers who will guide you in achieving your goals and will make your learning easier. We provide amalgamated and eminence education to young minds in Technical Education to convert them into effectual technocrats. We want them to be ready to combat tough challenges in the competitive world and also substantiate to be a respectable human being.*

## Polytechnic College

*"BIT Polytechnic College" has been established in the year 2008 at Industrial Area, Gaya on Bodhgaya Road. It is a nascent institute which is providing technical education of Diploma standard and also aspires to develop a model institute of repute under the guidance of experienced academicians & highly skilled professionals. This institute is recognized by Department of Science & Technology, Govt. of Bihar and subsequently approved by All India Council of Technical Education.*

*Buddha Institute of Technology, Gaya is promoted by a group of professionals & prominent social workers under auspices of "OM SAMAJ VIKASH PARISHAD" with the objective to produce an excellent level of technocrats through technical education*

## Buddha Polytechnic Institute

*"Buddha Polytechnic Institute" is a polytechnic institute which has been established in the year 2010 at Industrial Area, Gaya on Bodhgaya Road, falls under the umbrella of group "BIT Group of Institutions", founded by Er. Awadhesh Kumar, the Founder & Chairman as well as a down-to-the-earth Social Worker. It is a nascent institute which is providing Diploma education of Degree standard and aspires to develop a model institute of repute under the guidance of experienced academicians & highly skilled professionals. This institute is recognized by Department of Science & Technology, Govt. of Bihar and subsequently approved by All India Council of Technical Education.*

*Buddha Polytechnic Institute, Gaya is promoted by a group of professionals & prominent social workers under auspices of "BUDDHA SOCIO-ECONOMIC DEVELOPMENT TRUST" with the objective to produce an excellent level of technocrat through technical education.*

# Department

## Mechanical Engineering

The department has well equipped workshop, Tom, Thermo-dynamic lab, CAD-Center, Simulation & Modelling I.E., Fluid Mechanics of material, RAC, Automobiles, Engg. Mechanics Lab, H.M.T. Strength of Material, Dom etc.

## Civil Engineering

Besides being one of the most rewarding profession, Civil Engineering meets most of the major challenges facing the world today. Academics of the department emphasizes deep understanding of fundamental principal and development of creative ability to handle those challenges. Facilities like Learning - Zone, Design Laboratory, etc are included along side specialist research and teaching

## Computer Science & Engineering

The Computer Science labs are equipped with large number of Computer system having latest Configuration. besides being a Wi-Fi Campus, there is broadband high speed internet connectivity for 24 hours. The department has different teaching aids LCD, OHP, etc Special Class are held for Java and NET technology by expert professionals.

## Electronics & Communication Engg.

The EC department is well equipped with labs in order enhance the practical knowledge of the student as per demand of the competitive corporate world, looking at the IT sector worldwide, the computer programing skill of student are targeted to be developed in the labs like VLSI design, computer network, micro-processor, etc. Intensive focus will be on the project undertaken by the student.

## Electrical Engineering

The department of electrical engineering is fully equipped eith, all the relevant laboratories and highly qualified and dedicated faculty. Various electrical instruments, 3-phase machines, panel, transformer, A.C. and D.C., motor, generators, training kits, active and passive components etc. are provided to facilities the department.

## Library

The college has a very spacious and modern library that has a wide range of collection of books, reference books, magazines and journal of national and international repute. Encyclopedia, year book, electronic publication, CD-Rom on teacher education.

Librarian is always available for student's assistance.

The collection of books in the library covers almost all the thrust areas of engineering branches, management applied science

Apart from text & reference books, reputed national and international journals are subscribed to provide latest information on various subjects of study.

## Workshop

The market for general engineering workshop has got wide scope due to fast growth of industrialization, especially in the service sector. Spares for automobile parts, machine parts etc. can be manufactured. Repair & maintenance jobs for house hold items can be taken for welding, sheet metal fabrication, carpentry works etc.

Different Shops available in central workshop are as follows:

1. Fitting Shop
2. Welding Shop
3. Machine Shop (Turning, Milling, Drilling, Grinding)
4. Blacksmith Shop
5. Carpentry Shop

Separate Boy's Hostel

Separate Girls's Hostel
